Well done to everyone for such a positive start to the new school year, especially all the new children who have joined us in Nursery. Plans for this term are now being finalised with final key dates being added to the website early this week.

Termly overviews for each class, giving a summary of key aspects of teaching and learning this term, are in the process of being finalised and will also be on the website soon.

Swimming begins for children in Ash and Oak Class this week. This will take place on Friday afternoons and therefore all children should have their swimming kit in school first thing each Friday morning at the latest.

KS2 swimming - please could you kindly return any transport contributions by this Friday. Thank you very much.

Spare clothes - we are running very low on spare clothing for accidents in Fir and Saplings. Any donations of unwanted small pants, leggings, socks, jogging bottoms etc. would be most welcome thank you! If your child comes home in spares please could they be washed and returned to school at your earliest convenience. Thank you.

Nut allergies - just a reminder - please could children NOT bring nuts into school in their lunchboxes or as snacks as we have children in school with severe nut allergies. Thank you for your understanding.

Chicken Pox - just for your information we have an incidence of chicken pox in KS1.
